

RUGBY SCHOOL

The 2022 Rugby School Careers Convention
An Opportunity to Inform and Inspire
Saturday 26 March 2022
09.00 – 12.30

Followed by a thank you lunch in the Collingwood Centre, Rugby School

Due to its resounding success, we are excited to announce that the Careers Convention will now be an annual whole school event and we would be delighted if you could come and speak about your work and be part of what is an inspiring day.

We are able to run the 2022 Careers Convention as a hybrid event if necessary. We hope that you will be able to join us in person, but if this is impossible we can include you using Microsoft Teams.

We will bring together around 70 speakers, from as broad a range of areas as possible to talk about what they do and why they do it, and to answer questions. Our aim is to give our pupils the opportunity to gain insight into a particular sector and to find out what a role might entail.

Speakers are arranged in panels of three, from roughly related areas, allowing the panel to give focus and breadth to the discussions.

It is highly inspirational for our pupils, and we hope that as a speaker you will find it enjoyable too, and that it will be a helpful networking opportunity.

The Careers Convention will be held on Saturday 26th March 2022.

This is a whole school event and parents of the D Block (Year 11) and LXX (Year 12) are invited to attend.

I would be most grateful if you could indicate whether you are able to support us, using the following [RESPONSE FORM](#)

Please use following the links to see further details on the [Programme](#), [how the day is organised](#)

I very much hope that you will be able to join us and thank you for taking the time to consider this request.

If you have any questions please do not hesitate to get in touch.

Kind Regards

Catherine
