BOOK

VACANCIES

RP international is a global recruitment consultancy with a focus on emerging technology.

With 6 offices around the globe, we are looking to take on graduates on a full time basis in the role of a researcher. Our London office is based in the city and we are proud of our professional but lively and friendly working culture. In this role you will be working with consultants sourcing the best candidates, as well as selecting, pre-interviewing and preparing candidates for interview.

The ideal candidates for this role are ambitious and driven individuals with a desire to pursue a career in recruitment.

If this sounds like something you would like to consider and want to find out more about, please contact our Talent Acquisition representative Polly

Due to continued growth, Meridian is looking to recruit a **trust manager** to join its busy Private Client Practice. The role will involve working with a multi-disciplinary team including tax specialists and solicitors to assist in the management and compliance affairs of various trusts. This is primarily a compliance based role that will follow the normal tax compliance calendar and will involve managing a caseload under the supervision of the Partners. The ideal candidate would have strong attention to detail and technical expertise.

Meridian is also seeking a **tax advisory specialist** to work closely with the Partners on a broad range of tax advisory work including trust and estate planning, shareholder planning, real estate and a very significant element of international work around residence, domicile and overseas structures. The successful candidate is likely to be CTA qualified. Part-

Richards via email: pr@rpint.com or call 02035977196.

Closing date for applications: ongoing.

Due to recent growth in number of our regions, MasonBreese is looking to hire across London, Channel Islands and Zurich.

MasonBreese is a consultancy practice providing Change professionals ranging from graduate/entry level to senior, seasoned professionals.

We have a strong focus on learning and development and our graduates embark on a 2-year program including professional qualifications.

Our people work across a range of change projects, IT implementations, development programmes, migrations, mergers & acquisitions in a variety of industries.

For further information, visit our [website](#)

If you are interested in working for MasonBreese, please email Katie Kelsall katie@masonbreese.com (S 09-12).

time or full-time working patterns would be considered.

Please email [Mark Abrol \(SF 77-82\)](#) for more information.

Graphicks

Graphicks are looking for a brilliantly creative, proactive midweight designer with 3-4 years' experience to join our fast-paced agency.

You will be a key player in the creative team, collaborating with the Design Director and Digital Designer, but ultimately owning your own projects from pitch to production. It's a very varied role, so you'll need to demonstrate solid experience in all aspects of agency work from concepting to delivery, as well as contributing excellent creative problem-solving to push the boundaries of briefs and pitches.

Competitive salary dependent on experience, as well as opportunities for professional training and development.

Based in Borough, Graphicks was founded by **Will Hicks (M 97-02)** in 2012. We call our approach Creative Intelligence and believe that beautiful design and insightful strategy go hand-in-hand. Creative to our core, we thrive on curiosity, are committed to finding solutions, and always collaborative in our approach.

Please send your CV, portfolio and a covering letter telling us why you'd be suitable for the role and why you'd like to work for Graphicks to claire.palmer-smith@graphicks.co.uk

Rugbeian News

Will Hartley (K 94-99) is currently walking Scotland (the West Highland Way) in five days (it should take seven) to raise funds for a wonderful, small, charity called the Chestnut Tree Hospice who have helped his nephew who was born severely life limited, with a very rare form of a very rare disease called Hirschsprung's disease.

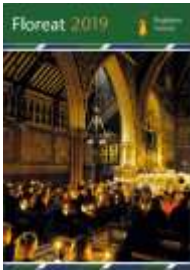

If you want to find out more and support Will please [click here](#).

Anastasia Duncan (St 11-13) who gained a 2.1 degree in BA (Hons) Politics from the University of Nottingham and has been working as a Marketing Assistant in London for the last two years is now looking to branch into programme and policy/project management roles, with a notable interest in the human rights or public sector.

Anastasia has also volunteered for a women and children's human rights organisation in Togo, initiating various civil development projects and collaborating with donor organisations to create, implement and fund programmes for schools and youth prisons to develop female education and reduce discrimination.

If you think you could help Anastasia with her search for a new role please [email](#) her.
